*Station* Madras, *Dated the* 25th November 1929.

From (Name) H. M. Hood Esq., I.C.S.,

(Designation) Registrar of Co-operative Societies

Chepauk, Madras,

To The Secretary to the Government of Madras,

Development Department.
Fort St. George,
Madras.

Sir,

Ref:- Development memorandum No.4192-III/29-2 dated the 6th November 1929.

---

In the memorandum quoted above the Government have tated that the scheme for improvements to the agricultural farm buildings at Bellary was not brought forward as a Part II Scheme for 1928-29 or for 1929-30. I have the honour to state that the Chief Engineer had included this work in the list of Part II Schemes (New Major Works) for 1928-29 and for 1929-30 and that I have requested him to treat this work as urgent as the accommodation for the offices of the Deputy Registrar and Assistant Registrar, Bellary was insufficient and unsatisfactory. I do not kn

know why the Chief Engineer has omitted this in his proposals for 1928-29 and 1929-30.

2. In the list of Part II Schemes for 1930-31 forwarded to me by the Chief Engineer, he has included a sum of Rs .13,000/- as the demand for 1930-31. He has not consulted me when he has reduced it to Rs .1,000/- nor do I know what his reasons were for doing so.

3. I may state that the offices of the Deputy Registrar and Sub Deputy Registrar of Co-operative Societies, Bellary are at present located in rented buildings where accommodation is unsatisfactory. The present offices are miserable places and are much too small. They are on the outskirts of Bellary(extension). I have the honour therefore to request that the Government may be pleased to provide the amount required for the improvements in the budget of 1930-31.

4. I am considering the question of reducing the cost of repairs in view of the fact that there will be only the Deputy Registrar's office at Bellary after the amalgamation of the offices of the present Deputy Registrar and Sub Deputy Registrar of Co-operative Societies, Bellary. shall submit a report on this as soon as I receive a reply from the Deputy Registrar of Co-operative Societies, Bellary but consider that this should not delay sanction.

I have the honour to be,

Sir,

Your most obedient servant,

[illegible] Registrar.

The Registrar of Co-operative Societies is informed that in the absence of information as to the reduction in the cost of repairs and improvements consequent on the amalgamation of the offices of the present Deputy Registrar and Sub-Deputy Registrar, Bellary, the proposal cannot be considered ~~further~~, as a result of reduction, ~~and that~~ if the amount of the ~~revised~~ estimate ~~should be~~ is found to be less than Rs.10,000/-, the proposal need not be treated as a Part II scheme, as the expenditure can in that case be met from the lump sum grant under '41.Civil Works'.
